## SENIOR EXECUTIVE/ ASSISTANT MANAGER – FINANCE PLANNING AND REPORTING

 LOCATION  
HEAD OFFICE

 LEVEL  
SENIOR EXECUTIVE/ ASSISTANT  
MANAGER

We are seeking an individual to focus on maintaining a constant improvement approach in finance planning process to ensure processes and controls keep up with changes in business, organization, economy, technology, and accounting.

### Key responsibilities

- Assist in developing Company's annual budget.
- Develop financial models, scenario analysis and simplified structures to cater the analysis of the financial planning.
- Coordinate with finance reporting team to understand the financials and interpret the use of financial planning.
- Assist and deliver special project evaluations.

### Key Benefits

The ideal candidate can look forward to rewarding career coupled with advanced training opportunities and attractive remuneration package, great exposure for global and multinational practices.

### Key requirements

- Should hold a Bachelor's degree in Finance or be part qualified in a professional accounting body such as CIMA, ACCA, CMA and CA.
- Minimum 3 years of relevant experience. Prior experience in Insurance industry is an added advantage.
- Process design skills, project management skills, strong communication skills - both verbal and written.
- Ability to work under pressure adaptability, self motivated and be a good team player.
- Proficiency in MS office and MIS with excellent MS excel skills.
