

Join the Keells Distribution Centre

to Explore. Challenge. Inspire.

Come join our team as a
Supervisor – Transport

What you need to do

- Overseeing all Transportation and Logistics operations related to Dry, Bulk and Direct Import Distribution Centers. (DCs)
- Developing and optimizing delivery routes while ensuring punctual deliveries.
- Managing activities associated with the Transportation Management System (TMS).
- Compiling comprehensive Transportation and Logistics cost reports and ensuring the timely and accurate completion of these reports.
- Keeping all Transportation and Logistics related reports current and up-to-date.
- Participating in fleet management activities within the Distribution Center.
- Generating reports on maintenance and repair requirements for delivery vehicles.
- Staying informed about safety regulations in all DC transportation operations.
- Submitting daily fuel requests for DC vehicles and maintaining focus on LPI fuel issuance.
- Conducting training sessions for drivers and helpers, and holding periodic meetings with transporters.

What we are looking for

- Possess a diploma or an equivalent in Logistics, Supply Chain Management or related field.
- Proven two years of experience in transportation management, preferably in a distribution center setting.
- Proficient in using Transportation Management Systems (TMS) and other relevant technologies.
- Knowledge of safety regulations and best practices in transportation.
- Excellent communication and interpersonal abilities.
- Ability to work collaboratively with cross-functional teams.

No. 125A, 125B, CPSTL, Muthurajawela Terminal Road, Wattala
