

WE ARE HIRING

Join our team and become a part of the
Sri Lanka's biggest fashion chain.

A/C SUPERVISOR

We are seeking a highly skilled and experienced A/C Supervisor to join our dynamic team. The A/C Supervisor will be responsible for overseeing and managing all aspects of the showrooms' and Departments' air conditioning systems to ensure optimal functionality and efficiency. This role requires strong technical expertise in A/C systems.

Job Role

- Supervise and lead a team of AC technicians, providing guidance, training, and support as needed.
- Plan and schedule regular maintenance tasks for all air conditioning units within the showrooms and departments, including inspections, filter changes, and system cleanings.
- Conduct troubleshooting and diagnostic assessments of A/C systems to identify and resolve any issues or malfunctions promptly.
- Maintain accurate records of maintenance activities, equipment inventory, and service contracts.
- Respond promptly to any emergencies or urgent repair needs, prioritizing tasks to minimize disruptions to showrooms and departments operations.
- Stay informed about advancements in A/C technology and industry best practices, recommending upgrades or improvements as appropriate.
- Attention to detail and a commitment to maintaining high standards of quality and safety.

Candidate Profile

- Proven 7 years of experience as an AC technician or supervisor, preferably in a retail or commercial setting.
- NVQ Level 4 or equivalent qualification in refrigeration and air conditioning.
- Sound knowledge in installation, breakdown repairs and troubleshooting of Split AC, Chiller, VRV and Package AC.
- Strong knowledge of air conditioning systems, including central units, split systems, chiller and VRV units.
- Excellent troubleshooting skills with the ability to diagnose and resolve complex technical issues.
- Leadership abilities with a track record of effectively managing a team of A/C technicians.

The successful candidates would be provided with a competitive remuneration package on par with the industry standards and other fringe benefits.
