

SOAR AS THE QUALITY EAGLE!

Quality - Manager

Wariyapola Plant

STITCH UP YOUR CAREER WITH QUALITY

DO YOU HAVE AN EAGLE EYE FOR FLAWS AND A PASSION FOR FLAWLESS PRODUCT?

Are you passionate about setting the world class standard for quality in the dynamic world of apparel?
Our vibrant apparel empire is on the hunt for a Quality Manager

Key Roles

- Lead your loyal Quality Assurance (QA) knights, inspectors with eagle eyes and hawk-like attention to detail.
- Partner with design and production, ensuring every stitch tells a story of excellence.
- Slay the dragons of defects, vanquish the villains of faulty fit, and ensure every stitch sings with quality.
- Uncover trends and weave solutions that leave no room for flaws.
- Tracking defect rates, identifying trends, and implementing corrective actions.

Requirements

- Qualified in Apparel Manufacturing, Textile Engineering, or a related field.
- A problem-solving mind sharper than a tailor's shears.
- Minimum 3-5 years of experience in apparel quality control, preferably in an Apparel Sector.
- Proven track record of successfully implementing and improving quality assurance process.

Why Join Us?

- Be a positive force for change in a vibrant fashion environment.
- Collaborate with dynamic teams to shape the future of our operations.
- Competitive compensation and growth opportunities await the right candidate.
