

Motion Graphics Designer – VFX Artist

Having been in operation for over 32 years with diverse business interest ranging from Events, Branding, and Outdoor visibility, we are a fully integrated company backed by state-of-the-art equipment, Designer Studio and Workshop.

To meet the demand of our rapid expansion we invite applications from suitable persons for the above position.

Job Requirement:

- Ideal candidate should have over 2 years of similar experience preferably in Event Management or Advertising Field with relevant course work or certifications in VFX, 3D Modeling and Animation
- Should be a VFX Artist expert who is able to work independently on Autodesk 3D Max, Adobe After Effects, Adobe Premiere, Autodesk Maya or Cinema 4D and other related tools.
- Ability to collaborate with the graphic team to develop event related Curtain Raiser Videos, Animation Loops etc.
- Male, preferably below 35 years of age
- Ability to work independently, self-motivated and familiar with 'EVENT' Project Management
- Fluency in English is required.

Soft Skills

- Strong artistic and creative Skills with an eye for details
- Good communication & teamwork skills
- Ability to work under pressure, work flexible hours & meet tight deadlines

The selected candidate could expect an attractive remuneration package based on qualification/suitability.

If you meet the above requirements and are willing to join our team, please email your **CV with a portfolio of previous work done** along with two non-related referees within 14 days.
