THE OPPORTUNITY TO MATCH YOUR POTENTIAL

WITH THE BEST BANK TO WORK AT

For over three decades, we have taken great pride in leading with innovation and redefining the Sri Lankan financial landscape, providing financial solutions to the nation and adhering to the highest standards of ethics and integrity. The opportunity is now yours to join our dynamic team of professionals, proudly proclaiming to your peers that your career is poised to grow towards the zenith.

We are on the lookout for qualified IT professionals specialising in the following areas:

Network Engineering and Network Security Engineering

Database Administration and Systems Administration

Software Engineering - JAVA/J2EE

Data Engineering and Data Science Engineering

Candidates must be below 40 years of age, should possess a Bachelor's Degree in IT/IT-related disciplines, with a minimum of 01 year, hands-on experience in the above areas, at a reputed organisation. Master's Degrees and other professional qualifications/certifications will be a definite added advantage.

Please apply online stating qualifications and experience. Selection will be strictly on merit. Any form of canvassing will be a definite disqualification. Only shortlisted candidates will be contacted.
