

Join with us to deliver a world where:

- Every pregnancy is wanted
- Every childbirth is safe &
- Every young person's potential is fulfilled

VACANCY ANNOUNCEMENT

Individual Consultant - Consultant to Develop a Toolkit on Prevention of Gender Based Violence

UNFPA is hiring a consultant to develop a broad-based prevention toolkit aligned with international best practices.

Individual Consultant – Consultant to Develop a Package for Monitoring of the Essential Services Packages (ESP) Services and Multi Sectoral Coordination

UNFPA is hiring a consultant to provide technical support, coordination, and strengthen the capacities of multisectoral coordination, monitoring, and quality assurance across the Gender-Based Violence referral pathway to ensure gender-sensitive and survivor-centric delivery.

Individual Consultant - Rapid Assessment and Protocol Development for Technology-Facilitated Gender-Based Violence (TFGBV)

UNFPA is hiring a consultant to conduct a rapid assessment of the existing regulatory framework, evaluate current practices on handling and storing sensitive data by law enforcement, and review response protocols for technology-facilitated gender-based violence, providing recommendations to mitigate security risks.

DEADLINE: 28 July 2024, midnight Sri Lanka time
Sri Lankan Nationals only

Review the **Terms of Reference** for these positions, view application instructions and submit the application by visiting the following link:

srilanka.unfpa.org/vacancies

Applications received through other means will not be considered or contacted. Only those meeting all requirements as per vacancy announcements will be considered. Shortlisted applicants will be contacted.

The goal of UNFPA is to ensure sexual and reproductive rights and choices for all, especially women and young people, so that they can access high-quality sexual and reproductive health services, including voluntary family planning, maternal health care and comprehensive sexuality education.
