Selection of Individual Consultants Ministry of Agriculture and Plantation Industries Smallholder Agribusiness and Resilience Project (SARP)

The Smallholder Agribusiness and Resilience Project (SARP), a project jointly financed by the International Fund for Agricultural Development (IFAD) and Government of Sri Lanka, aims to build resilience and market participation of 40,000 rural households in the climate change affected districts of Anuradhapura, Vavuniya, Matale, Mannar, Puttalam and Kurunegala. This is pursued through capacity building for climate resilience and inclusive value chains, combined with investments for climate resilience and inclusive value chains including last mile infrastructure. The lead programme agency is the Ministry of Agriculture and Plantation Industries, which would establish a dedicated Project Management Unit (PMU) at central level and two regional hubs for the implementation of SARP.
