

Leading Tea exporting company has immediate vacancy for the following work profile;

Reach Truck Operator

Job Profile:

Job Profile: We are seeking a highly motivated and experienced Reach truck operator to join our team. The successful candidate will oversee the loading and unloading of bulk tea bags and materials from racks, ensuring all operations are conducted safely and efficiently.

Key Responsibilities:

Operating a reach truck forklift;
Transporting all goods/products and materials.
Verify products, quantities, and order numbers correctly.
Move loading goods safely throughout the warehouse.
Be able to work independently.

Qualifications:

- Good education background with G.C.E. (A/L); further education certifications.
- Proven 2-3 years experience as a reach truck operator within the food/tea industry.
- Strong understanding of reach truck loading techniques and safety regulations.
- Ability to work under pressure and meet deadlines.

If you firmly believe, you have the expertise & knowledge to drive loading process successfully within our organization, please email your CV to info@ctmtea.com (with contact details) within 14 days of this advertisement.
