

JOIN A TEAM DRIVEN BY EXCELLENCE

The CBL Group is one of Sri Lanka's largest food conglomerates manufacturing biscuits, chocolates, cake, cereal, textured soy, coconut, spices and organic products. CBL brands Munchee, Ritzbury, Revello, Tiara, Samaposhha, Nutriline, Sera and Lankasoy are market leaders and household names. The Group consists of seven business units in Sri Lanka and three overseas and, exports its products to over 65 countries across the globe.

Purpose driven business forms the core of CBL's operations and we are guided by our core values of caring, quality, innovation and integrity. We believe in equal opportunities for growth and we foster a caring, learning high performance culture that promotes ethical and responsible business.

The CBL team is committed to good business practices and are passionate about making positive changes and meaningful impacts for every stakeholder in our value chain. We are looking for individuals that share our commitment to creating great food that enriches lives and supports Sri Lanka's growth.

DESIGNATION: INTERNSHIP- ENGINEERING
COMPANY NAME: CEYLON BISCUITS LIMITED
LOCATION: PANNIPITIYA

ROLE PROFILE

- Assist in creating, modifying, and updating AutoCAD drawings for various projects, with a focus on MEP (Mechanical, Electrical, Plumbing) systems.
- Collaborate with the engineering team to ensure drawings meet project specifications and standards.
- Support the development and maintenance of drawing databases and document control systems.
- Participate in project meetings to understand design requirements and make necessary adjustments to drawings.
- Review and verify the accuracy of drawings and specifications with team members.
- Contribute to ongoing projects by providing technical support in the design and drafting process.

PERSONAL PROFILE

- Completed a course in AutoCAD from a recognized institution.
- At least 6 months of experience in MEP (Mechanical, Electrical, Plumbing) drafting and design.
- Strong competency in AutoCAD software.
- Familiarity with MS Office packages (MS Excel, MS Word, MS PowerPoint).
- Strong attention to detail and accuracy in drafting and design work.
- Good communication and teamwork skills.
- Ability to work independently with minimal supervision.
- Commitment to respecting the environment and community.
