SENIOR INTERIOR DESIGNER

Job Role

- Researching and helping in the development of interior concepts based on showrooms, desires, and architectural concepts.
- Suggest new trendy designs to upgrade the interior of existing showrooms and head office as and when necessary.
- Assisting with the preparation of working drawings, floor finish plans, elevations, and interior detailing.
- Assist with the selection of materials.
- Ensuring that the work is completed on time and on budget.

Candidate Profile

- Bachelor's degree or diploma in Interior Design.
- Minimum 5 years of work experience in Interior Design.
- Experience in retail store designs will be an added advantage.
- Proficient in AutoCAD, SketchUp, 3ds Max, and Lumion is highly preferred.
- Knowledge of industry standards and application of building codes.
- Competency in interior design specifications.
- Passion for design.

The successful candidate will be provided with a competitive remuneration package on par with industry standards and other fringe benefits.
