

Browns

A Heritage of Trust

JOIN THE DYNAMIC TEAM OF Browns

Browns is one of the largest diversified conglomerates in Sri Lanka, which manages a fast growing and valuable portfolio of brands across several key industry sectors, such as automotive; power generation; agriculture; pharmaceuticals; investments; marine and manufacturing. Being in existence for over 149 years, the Company is built upon a strong foundation of strength, driven by a vision and a will to succeed. We are seeking a highly skilled and motivated individual to join the Browns Enterprise Risk Management department as a Executive/Senior Executive – IT Audit. This role is instrumental in enhancing our audit capabilities across several critical areas, including Cyber Security, ERP systems, business processes, and data analytics.

Executive/Senior Executive – Audit (IT & Business Process)

Key Responsibilities:

- Evaluate the adequacy and effectiveness of operational policies and controls.
- Conduct audits within deadlines, while revising time allocations as necessary.
- Analyse financial and operational data and establish robust internal audit controls.
- Identify risks related to IT systems, including cloud-based applications and ERP platforms.
- Conduct branch and process audits while addressing control weaknesses.

Requirements

- Bachelor's degree in Information Technology, Accounting, Finance or a related field.
- Professional qualifications in CISA, CIA or equivalent are highly desirable.
- Strong expertise in IT audit functions, including security, analytics and ERP systems.
- Excellent analytical, problem-solving and communication skills.
- A proactive mindset with the ability to work independently and collaboratively.

If you wish to apply for the above post, please forward your CV to us within 7 days of this advertisement.
