

# RE-WRITE YOUR FUTURE ACROSS THE WORLD'S FINEST INTERIORS

The leader in the Surface Coverings and Bathware industry in Sri Lanka and pacesetter in the international arena, Royal Ceramics Lanka PLC (Rocell) is now inviting ambitious individuals to join a world-renowned design democracy and be part of a global workforce. Join us today and together, let's reimagine the interior design landscape of the future.

## **Management Trainee - Production**

We invite applications from dynamic, results-driven individuals with excellent interpersonal skills. The ideal candidate will demonstrate a proactive approach to independent decision-making, strong leadership qualities, and the ability to inspire and collaborate effectively as part of a team.

Requirements:

- BSc in Engineering or Physical Sciences from a recognized university.
- Strong communication skills and computer literacy.
- Excellent analytical skills, flexibility, and proactive thinking.
- A dedicated team player with a high level of commitment.

**An attractive remuneration package commensurate with the position applied for is negotiable.**

Eternal Elegance

The Head of Human Resources  
Royal Ceramics Lanka PLC  
No. 20, R. A. De Mel Mawatha, Colombo 03.
