

Become a **CHANGEMAKER**

Bodyline is a joint venture between MAS Holdings, Triumph International Germany and Mast Industries USA, offering apparel solutions from concept to delivery. Bodyline specializes in producing fitted garments and superior next-to-skin performance wear; and is the go-to vendor for bra innovations. The company has evolved from making simple minimalist styles for a single customer to multiple styles and silhouettes across product categories for global brands.

Join Bodyline - Horana as a, **Senior Executive - Production**

We are looking for a dedicated individual with a **Degree in Engineering or Business Management along with 4-5 years of work experience** to join our team of changemakers. Through this role, you will monitor and ensure the achievement of production targets while collaborating with Industrial Engineering, Quality, Technical, and HR teams to enhance the production capability of assigned modules, and execute special projects to achieve business goals.
