

BE A PROFESSIONAL AIRPORT FIRE FIGHTER

**Airport & Aviation Services
(Sri Lanka) (Private) Limited**

*AASL is hiring the best talent to the best and
We are equal opportunity employer.
We are looking for highly motivated individuals with right attitudes to fill the above vacancies.*

WHY ?

Possessing an ICAO (International Civil Aviation Organization) recognized qualification is an advantage for you to be employed at any International Airport. After completion of training you will be eligible to be absorbed to the AASL permanent cadre subject to availability of vacancies.

WHAT ?

We are looking for young and energetic **Male**, who possess required qualifications to undergo training in Airport Fire & Rescue Services at Bandaranaike International Airport (BIA) at Katunayake and Sri Lanka Airport & Aviation Academy (SLAAA) at Rathmalana, with the aim of paving a path to them to become professionals in AFRS.

HOW ?

The applicants are required to undergo a standard medical test and physical fitness test. The selectees will receive training on 2 stages:

➤ STAGE 01

Fire & Rescue Trainee

- ❖ ICAO Standard Training Program (04 months Residential Course)
- ❖ Those who are successful at the final examination 01 are eligible to follow STAGE 02.
- ❖ Bond should be signed at the start of the programme

➤ STAGE 02

Trainee Airport Fire Fighter

- ❖ On the job Training at BIA (01 Year)
(Trainees will be deployed at BIA to undergo Fire operational training with uniforms.)
- ❖ Mandatory continuation Training Programme (04 Classes per month)
- ❖ Those who have successfully completed Training will be absorbed into the permanent cadre as **Airport Fire Fighter Grade II**

YOUR SUITABILITY / REQUIRED QUALIFICATIONS

- 1) Should have passed the G.C.E (O/L) Examination including Credit Passes for English Language and Mathematics with a Simple Pass for Science.
- 2) Preference will be given to those who have passed the G.C.E (A/L) examination in 03 subjects.
- 3) Age should be below **25 years** as at the closing date of the applications.
- 4) Requires a minimum **height of 66 inches** and **weight of 56 Kg**.

GENERAL

- ❖ The candidates those who are successful at the selection process (Physical Attribution Test ,Written Test and Interview) shall enter in to a Bond Prior to Commence the Training Programme.
- ❖ A Comprehensive Training will be provided to selected candidates on expenditure recovery basis.
- ❖ Selected candidates for Fire & Rescue Trainee will be paid an allowance during the Basic Residential and On the Job Training Period.
- ❖ Those who have successfully completed the training will be absorb in to the Permanent Cadre of AASL as **Airport Fire Fighter Gr II** and attractive remuneration package will offer.
- ❖ The selected candidate will have to perform duties at any location of the company in any part of the Island as and when necessary.

YOUR APPLICATION
