

Design Your Dream Career

Lanka Tiles PLC is the pioneer manufacturer of glazed ceramic porcelain floor tiles and mosaic tiles with a growing presence in both the local and global markets. As a company committed to maintaining the highest quality standards, we have earned ISO 9001 and ISO 14001 certifications. We are seeking qualified and talented individuals to join our team to continue our success and growth.

Technical Assistant/Production Supervisor

Requirements:

- Have successfully completed **NDT/HNDE course** in Chemical Engineering or
- Have passed the G.C.E (A/L) examination in the **science or maths** stream with a credit pass in Physics or Chemistry and possess a minimum of 3 years' experience as a Technical Assistant / Supervisor in a manufacturing organization will be an additional advantage.
- Those who have NVQ level 5 or 6 certificates in Production Technology.
- Below 35 years of age.
- Possess strong leadership qualities, be self-motivated, able to handle labour, and prepared to work with a higher sense of responsibility.
- Be prepared to work on a **shift basis including night shifts**.

School leavers with G.C.E. (A/L) qualifications from Science / Maths stream could be considered for placement as Trainee Production Supervisors.

An attractive remuneration package and career development opportunities await the right candidate.
