Creating “Winning Leaders  
for the Market Leader”

## About the Company

Founded in 1968, Abans Group of Companies is one of the local grown conglomerates that is a market leader and focuses on retail, real estate development, finance, environmental management, logistics, and other business sectors. As an inspiring account of innovation, creativity, risk-taking, and perseverance, Abans Group has enjoyed more than 50 years as Sri Lanka's most trusted household name. At Abans, we work across geographical borders and hierarchical boundaries; so, an entrepreneurial spirit, a global perspective, and out-of-the-box thinking are signature aspects of our culture. The pursuit for excellence is what we strive for at Abans. More than 13,000 employees work in multiple operations across the country to provide our consumers multi-faceted, innovative, and dynamic solutions for their everyday needs.

## Abans Management Trainee Programme

This program is intended to give opportunities to young graduates, who are willing to go well beyond boundaries and strive for excellence and to develop their talent to become the leaders in different verticals of the business. This will be a 12-month comprehensive learning journey blended with hands-on experience in business operation. This experience will help you to have holistic view of the business whilst enhancing your potential and shaping your career.

## Who can join us ?

- ▶ Bachelor's degree with minimum Second-Class Upper division OR equivalent Professional Qualification
- ▶ Track record of Extra- Curricular activities
- ▶ Internship experience will be an added advantage
- ▶ Positive and vibrant personality with a knack to lead
- ▶ Age below 25
