

# WE'RE HIRING!

## MANAGEMENT TRAINEE- FINANCE HATTON (BOGAHAWATTE)

At Cargills, we are not just a Company; we are a cornerstone of Sri Lanka's vibrant economy. With a heritage spanning over 180 years, we have continuously evolved to become a leading force in multiple industries, including Retail, FMCG, Restaurants, Financial Services, Agribusiness, Cinemas, Hospitality, and Real Estate. Built on a strong foundation of values and ethics, we have spread our reach across Sri Lanka, with investments and operations that touch the lives of millions of consumers, farmers, and entrepreneurs on a daily basis. We are committed to leveraging technology to enhance operational excellence, create sustainable markets, and foster employment opportunities, all whilst actively engaging in initiatives that uplift communities and protect the environment to build a brighter future for all.

## JOB ROLE

- Oversee invoicing, ordering, procurement, and inventory management to ensure seamless factory operations.
- Compile and prepare monthly and annual accounts, ensuring accuracy and compliance with financial standards.
- Provide crucial management information for monthly and annual accounts contributing to strategic decision-making processes.
- Drive productivity & efficiency by meticulously monitoring manufacturing variances and collaborating with factory operations for continuous enhancements.
- Monitor projects, oversee fixed asset management, and prepare various reports to convey management information for informed decision-making.
- Foster strong relationships both internally and externally, building bridges that elevate our collective success.
- Champion efficiency, implementing strategies to manage costs effectively while ensuring compliance with statutory, legal, financial and tax regulatory requirements.
- Any other tasks or projects as requested by the Management.

## CANDIDATE REQUIREMENTS

- Passionate about Sri Lanka; you're committed to making a positive impact for our Country and its people.
- Fully or partly qualified in ICASL/ACCA/CIMA professional qualification.
- Prior ERP experience is advantageous.
- Completed Bachelor's Degree in Finance/Accounting or in the final semester.
- Experience in finance and accounting within the commercial sector – preferably in manufacturing, FMCG, production, complemented by 2 years of training at a recognized audit firm is a plus.
- Knowledge of internal and external reporting requirements, coupled with exposure to SLFRS & LKAS.
- Excellent IT literacy skills (MS Office package & Microsoft 365 applications) and experience with ERP systems like JDE are advantageous.
- Demonstrated capability to thrive independently, with an eagerness to consistently exceed expectations.
- Good communication skills in English & Sinhala (Tamil is a plus).
- Good interpersonal skills.
- Proactive, positive & results oriented with a can-do mindset & ready to take on new challenges.
- Embody our Values: Customer Centric, Accountable, Respect, Green, Innovative, Love, Lead & Serve the Nation.
