Join hands to shape the future

Realise your professional goals within a rewarding environment: At MAGA, Sri Lanka's leading construction company, join the dynamic team driving the nation forward.

MÄGA
the saga of quality construction

We are seeking a highly skilled and motivated IT Executive to join our dynamic team. The ideal candidate should possess a Bachelor's degree in Information Technology (IT) or a related field and have at least 3 years of hands-on experience in IT operations and administration.

IT EXECUTIVE ▶

Key Requirements:

- Bachelor's degree in Information Technology, Computer Science, or a related field.
- Minimum 3 years of experience in IT networking, system administration, and infrastructure management.
- Proficiency in O365 or Google Workspace administration.
- Hands-on experience in Windows and Linux server administration.
- Hands-on experience with network firewalls and switch configuration.
- Knowledge of IT procurement and vendor management.
- Exposure to software development processes and methodologies is advantageous.
- Strong problem-solving skills and ability to work independently.
- Excellent communication and organizational skills.

Key Responsibilities:

- Manage and maintain networking infrastructure, including routers, switches, and firewalls.
- Manage system administration tasks, ensuring smooth IT operations and security compliance.
- Handle IT equipment procurement, ensuring quality and cost-effectiveness.
- Provide technical support for users and resolve IT-related issues efficiently.
- Collaborate with teams on software development projects, offering IT insights and support.

If you meet the above criteria and are eager to advance your career in IT, we would love to hear from you!

The above position provides excellent career progression opportunities in a professional environment, along with attractive remuneration.
