JOIN A CHALLENGING CAREER

Rhino Roofing Products Limited is the undisputed leader in the Sri Lankan hardware and construction industry that has been active over six decades. The company continues its journey by developing, manufacturing, and marketing leading brands for both Sri Lankan and global markets while empowering sustainable development for the environment, people, and products. We are looking for the following positions to be filled to further enhance our footprint in the market.

Management Trainees in Electrical/Mechanical Engineering

Location: Ja Ela

Job Profile:

We are looking for a recently graduated Electrical/ Mechanical engineering professional who combines knowledge of engineering principles with expertise in management and leadership skills. Selected candidates are trained for developing, enhancing, and delivering their technical, managerial, and leadership skills into engineering context.

Job Requirements:

- Must have a Bachelor's Degree in Electrical/ Mechanical Engineering familiarized with core engineering principles and practices.
- Proficiency in engineering software and tools relevant to the Project Management. (e.g., CAD software, AutoCAD, SolidWorks, MS Project etc.).
- Ability to apply engineering principles to solve real-world problems.
- Should demonstrate excellent leadership, analytical and problem-solving, interpersonal, and communication skills in Sinhala and English.
- Should be target and team-oriented

An attractive remuneration package along with excellent learning opportunities and fringe benefits will be offered to the right candidate. Interested candidates should forward their CVs with their telephone number and two non-related referees within 10 days of this advertisement to vacancy@rhino.lk indicating the position at the top of the email.

Rhino Roofing Products Limited,
752, Dr. Danister De Silva Mawatha, Colombo 09
