

Asiri Health is Sri Lanka's largest private healthcare provider. Established in 1986, the Asiri Health Group now boasts six hospitals in three provinces and the country's largest private laboratory service. Continually investing in high-tech infrastructure, expansion, and capacity building. The Group has evolved rapidly over the last decade, doubling its reach while offering the most advanced clinical programmes in the country.

With a commitment to quality and patient safety at its core our hospitals meet global accreditation standards of Joint Commission International (JCI) and Australian Council of Health Standards International (ACHSI).

People and our teams of dedicated professionals are the heart of Asiri Health, and an extension of our commitment and care.

We are looking for a suitable candidate for the position of Quality Assurance Executive/Assistant. If you are truly determined to make your career with the leading brand in the private healthcare industry in Sri Lanka, you are invited to apply for the following position;

QUALITY ASSURANCE EXECUTIVE / ASSISTANT

The ideal candidate should possess the following qualifications & attributes:

- Draft quality assurance policies and procedures.
- Document internal audits and other quality assurance activities.
- Collect and compile statistical quality data
- Implementation of ISO, JCI & ACHSI quality standards.
- Coordinate and support on-site audits conducted by external providers.
- Responsible for document management systems.
- Assure ongoing compliance with quality and industry regulatory requirements.

Required Qualifications

- Graduate in science from a recognized University or Diploma in Quality Management from a recognized institute.
- Minimum 2 years of working experience in a similar capacity.
- Exposure to ISO 15189, ISO 9001 & ISO 14001 standards is a plus value.
