ABOUT US

McLarens Group is a leading, well-established business conglomerate with diversified business activities. McLarens is widely recognized for excellence in Maritime & Logistics, Petroleum & Energy, Manufacturing & Distribution, Property & Strategic Investments and Leisure to sustain its commitment to quality while continuing to grow in business and stature in Sri Lanka.

McLarens Group is now seeking an aspiring, energetic, and competent individual to join its subsidiary company, Spectra Logistics (Pvt) Limited. Spectra is one of Sri Lanka's leading providers of end-to-end logistics services encompassing contract logistics, container depot, integrated transportation, and customs brokerage. We meet our customers' logistics and supply chain needs through a combination of our operational and service excellence and our extensive resources, which include the Spectra Distribution Center at the Spectra Logistics Park in Wattala and a well-equipped container yard with our own vehicle fleet.

Assistant Accountant

Key Responsibilities

- Ensure compliance with accounting standards, regulations, and processes in finalizing General Ledger, Balance Sheet, and Profit & Loss accounts.
- Implement and monitor internal controls in Oracle Systems and related processes.
- Oversee timely approval and posting of AP transactions.
- Collaborate with the payment team on process improvements.
- Reconcile intercompany balances and maintain accurate ledger records.
- Verify fund availability before processing payments.
- Prepare detailed expense and P&L analysis, sharing with management by the 6th of each month.
- Ensure consistent recording of agreed recoveries, amortizations, and accruals.
- Timely and accurate posting of P&L transactions prior to month-end close.

Qualifications and Experience Required

- Part qualification from a professional accounting body (preferably CA, ACCA, or CIMA).
- Strong knowledge of financial accounting and familiarity with SLFRS.
- Experience handling external audits.
- Proficiency in ERP accounting systems and MS Office (especially MS Excel).
- A minimum of 5 years of total experience (Audit + Mercantile).
- Strong commitment, time management, and organizational skills.
- Excellent interpersonal and teamwork abilities.
- Ability to work independently with minimal supervision.

An attractive remuneration package along with industry fringe benefits and excellent career opportunities await the right candidate.
