## EXECUTIVE / SENIOR EXECUTIVE INTERNATIONAL PATIENT CARE SERVICES

Lanka Hospitals is seeking a passionate go-getter to join the International Patient Care Services Team. This role provides the opportunity to work on a diverse and well-established foreign market to provide personalized, quality care for international patients.

The role requires the ability to handle and facilitate all international patients. Look into their inquiries and feedback, initiate and complete new tasks and handle new projects.

Ideal candidate should have the following:

- Possess a degree or professional qualification in the relevant field from a recognized university or institute. A candidate who is qualified in MBBS but has not obtained registration as a clinical practitioner would be preferable.
- Minimum of 01 years' experience in similar capacity.
- Excellent command of English language in both verbal and written form.
- Sound interpersonal skills & communication skills.
- Ability to multi-task in a fast-paced and ever-changing environment.
- Be able to manage internal and external resources to successfully bring projects to life.

Should you measure up to the expectations, please forward your complete resume with contact details of two non-related referees within 10 days of this advertisement. Write the position for which you are applying on the top left-hand corner of the envelope or in the subject line of the e-mail.
