## **Intern - Quality Controller (Malwana – Factory)**

Ready to advance your career? We are looking for an experienced Intern - Quality Controller to oversee and drive quality control initiatives across our operations. Join us and make a lasting impact on our commitment to excellence.

### **Key Responsibilities:**

- Assist in defining and validating in-house quality and production standards in line with product specifications.
- Support the team in maintaining global QMS compliance with ISO and other international quality standards.
- Participate in reviewing and approving batch sheets, test reports, and Certificates of Analysis (COAs).
- Help monitor customer requirements and support initiatives that enhance satisfaction and service standards.
- Contribute to the development and implementation of quality specs for raw materials, semi-finished goods, and final products.
- Collaborate on setting and enforcing quality, health, and safety standards in compliance with regulations.
- Assist in preparing technical reports and management summaries, including deviation analysis and corrective actions.
- Support training efforts and promote a culture of quality and continuous improvement.
- Help analyse statistical data to drive process optimization and better decision-making.
- Be involved in internal audits, inspections, non-conformance handling, and control sample management.

### **Qualifications:**

- Diploma or relevant coursework in Analytical Chemistry, Organic Chemistry, Pharmaceutical Chemistry, or related field.
- Knowledge or prior exposure to solvent extraction, food manufacturing, or chemical processing is a plus.
- Familiarity with quality standards such as ISO 9001, ISO 22000, or other relevant certifications.
- Strong interest in quality systems, audits, and compliance processes.
- Good communication and interpersonal skills.

If you see this as the perfect chance to advance your dream career, please submit your Curriculum Vitae, and a detailed cover letter, to [careers@sunyieldbio.com](mailto:careers@sunyieldbio.com) within 7 days of this advertisement. Ensure you include the position you're applying for in the subject line of your email.

An attractive remuneration package along with fringe benefits and career development prospects wait the chosen candidate. **Join us and help drive our success forward!**
