

TECHNICAL ASSISTANT

Litro Gas Lanka Ltd, a trusted brand with 150 years of excellence and over 80% market share, is seeking a self-motivated, results-driven male candidate to join our team as a Technical Assistant.

Key Responsibilities:

- Perform and supervise maintenance activities safely and effectively.
- Conduct daily equipment inspections and ensure smooth plant operations.
- Coordinate with contractors and enforce safety & quality standards.
- Monitor spare parts stock and initiate reordering.
- Handle tools responsibly and support small-scale engineering projects.
- Participate in HSE activities and terminal operations.

Qualifications:

- TTI/IETI/NCT/City & Guilds in Mechanical/Electrical.
- Minimum 10 years' experience in a reputed manufacturing environment.
- Strong troubleshooting skills in electrical, pneumatic, and electronic systems.
- Ability to work independently under pressure and in shift rosters.
- Age above 25 years.

Other Qualifications:

- Knowledge of industry regulations and safety standards.
- Proficiency in English and Sinhala.
- Project management and supervision skills.

An attractive remuneration package awaits the right candidate.
