# GRADUATE TRAINEE

Join Hemas Pharmaceuticals (Pvt) Ltd, Hemas Surgicals & Diagnostics (Pvt) Ltd, the powerhouse behind Sri Lanka's No.1 pharmaceutical distribution network. For decades, we've been redefining healthcare, delivering life-saving solutions, and setting new industry standards. We're looking for bright, ambitious graduates who want more than just a job, you want to make a difference, learn from the best, and be challenged every day.

## WHO WE'RE LOOKING FOR

- Fresh graduates specialized in Pharmacology, Biotechnology, Biomedical Engineering, Data Analytics, Statistics, Supply Chain, Business Management, or Business Science.
- A dynamic self-starter, creatively resourceful, and deeply motivated to continuously learn and excel.
- Strong analytical and problem-solving skills.
- Excellent communication and interpersonal skills.
- Passionate about healthcare innovation with strong leadership potential.
