

APPLICATION ANALYSTS

(Junior Executive/ Executive Grade)

IT DEPARTMENT

About The Bank:

Armed with a proud history of over 30 years, Pan Asia Bank is on an exciting growth journey, evidenced by an array of recognitions, including being honored as one of the Top 40 business entities in the country by Business Today and top hundred companies by LMD.

Key Responsibilities:

- Provide application support for the Bank's IT applications, ensuring high availability and reliability
- Deliver expert-level support for the Finacle Core Banking System, maintaining system stability, data accuracy, and optimal performance
- Support, maintain, and troubleshoot internally developed applications and other enterprise systems critical to banking operations
- Continuously monitor application performance, proactively identifying potential issues and implementing preventive solutions
- Effectively manage incidents, problems, and service requests, ensuring timely resolution with minimal business disruption
- Implement application-level enhancements, changes, and new business requirements in collaboration with internal and external stakeholders
- Analyse business and operational requirements to ensure system performance, compliance, and reliability

Candidate Criteria:

- A Diploma or Bachelor's Degree in Information Technology or a related discipline from a recognised university or an institution
- Minimum 02 – 05 years of relevant experience in application support, with hands-on exposure to Finacle Core Banking products, preferably within the banking or financial services sector
- Proven experience in troubleshooting enterprise applications and supporting business-critical systems
- Exposure to core banking system upgrades, large-scale application rollouts, and basic scripting or programming for debugging or minor enhancements will be a distinct advantage
- Knowledge of AML, Pawning, Leasing systems, and regulatory compliance requirements
- Sound understanding of enterprise application architecture with basic proficiency in SQL/query writing
- Should be a highly organised and detail-oriented professional with strong analytical, problem-solving, and communication skills
- Ability to work collaboratively under pressure in a fast-paced, service-driven banking environment

Remuneration:

The successful candidates will be provided with an attractive remuneration package including fringe benefits, commensurate with industry standards.

How to Apply:

Take the next step in your career and be part of a team that values growth, collaboration, and excellence. If you are ready to make an impact, apply today and help shape the future of our Bank. Interested candidates are invited to submit their resumes through our career portal before the specified deadline.
