

Hayleys Group is amongst Sri Lanka's largest, and most respected diversified conglomerates with a turnover in excess of USD 1 Billion. To explore the World of Hayleys, visit us at: www.hayleys.com.

Hayleys Advantis Limited

Hayleys Advantis Group, the transportation, logistics and aviation arm of Hayleys PLC with over 60 years of industry presence, is a pioneer in providing end-to-end logistics solutions, representing some of the World's foremost shipping lines, freight forwarders and the largest air express transportation company. The Group also represents some of the world's leading passenger and cargo airlines and specializes in travel agency services. Today Advantis controls a truly international network offering and is fast becoming the undisputed leader in the areas of integrated logistics, freight management, marine services, terminals & engineering operations, airport services, aviation supply services, outbound travel services and other travel related services.

Advantis Trading

Advantis Trading, part of the Hayleys Advantis Group, provides solutions such as bulk and paper-based packing, security seals, plastic pallets, wristbands, container spares, and PPE. The company also offers container sales and rentals, logistics products, Reefer Operations for refrigerated container maintenance, and Convertainer solutions—modular container conversions for offices, living spaces, and custom applications

Intern - Convertainer Production (Welisara)

Job Responsibilities
