

Join Keells

to Explore. Challenge. Inspire.

Come join our team as an Intern – Supply Chain

What you need to do

- Forecast future demand and optimize inventory levels.
- Collaborate with cross-functional teams to ensure smooth supply chain operations.
- Analyze supply chain performance metrics in both supply planning/demand planning areas and identify areas for improvement.
- Support system development and automation projects to streamline processes

What we are looking for

- Undergraduate or graduate in bachelor's degree in business management, Supply Chain, Logistics, or a related field.
- Excellent organizational, communication skills and problem-solving skills.
- Strong Analytical skills.
- Proficiency in MS Office and ERP systems

If interested, please send your CV to careers.jms@keells.com within 10 days of the advertisement. Please mention the position you're applying for in the subject header.

"By applying, you consent to the processing of your personal information for recruitment purposes and acknowledge that reference checks may be conducted"

The John Keells Group is an equal opportunity employer and we invite applications from all suitably qualified individuals to join our team.
