

Vacancy for Assistant Manager Finance – LAUGFS Power PLC

We at LAUGFS Power PLC are committed to securing Sri Lanka's energy future through sustainable solutions. As the operator of Sri Lanka's largest solar power plant (20MW) and multiple mini-hydro plants, we add clean energy to the National Grid. With ongoing solar projects, rooftop installations, and expanding hydro capacity, we continue to grow, driving innovation in renewable energy and exploring opportunities beyond national borders.

Key Responsibilities

- Assist in the preparation and finalization of management accounts, quarterly and annual financial statements, and interim accounts in compliance with IFRS, CSE listing rules, and statutory requirements.
- Support the preparation of consolidated financial statements and annual reports of the group.
- Assist in budgeting, forecasting, and performance monitoring processes, providing meaningful insights for management decisions.
- Support internal control and governance practices, including risk management, treasury, and cashflow planning.
- Assist in project financing, capital structuring, and cashflow management, liaising with banks and financial institutions.
- Support external and internal audits, liaising with auditors, tax consultants, and legal advisors, and assist in resolving audit queries.
- Handle day-to-day finance operations including supplier payments, petty cash, bank reconciliations, general ledger maintenance, and fixed assets management.
- Maintain proper records and compliance documentation related to taxation, banking, and statutory reporting.
- Assist in preparing reports, presentations, and compliance submissions for Board Committees and senior management.
- Support investor relations activities, including preparation of analytical reports and management information for AGMs and market disclosures.

Candidate Profile

- Qualified Accountant (ACCA/CIMA/CA) or equivalent with 3–5 years of relevant experience.
- Strong accounting knowledge, attention to detail, and proficiency in ERP/financial systems.
- Understanding of corporate finance, statutory compliance, and group-level financial operations.
- Good communication and organizational skills, with the ability to meet deadlines.
- Team-oriented with a willingness to learn, support senior management, and contribute to a high-performance finance culture.

If you are confident that you have the right skills, knowledge, attitude and passion to grow with us, please forward your resume to careers@laugfs.lk within 07 days of this notice, stating two non-related referees. Please mention the post applied for in the subject line.
