Driver – Transport Division

Lanka Hospitals is seeking a passionate go-getter to join the transport division. The job role requires you to drive ambulances and assist ambulance medical team in transporting sick, injured, or convalescent persons; carry out daily transport requirement of the hospital and daily inspections on the vehicle assigned to you before utilising the same on duty, and ensure required vehicle records are maintained.

Ideal candidate should have the following:

- Should possess a valid Driver's License with both heavy and light vehicle driving capacities.
- Proven work experience as a Driver for at least 6 years with a good driving record without traffic violations.
- At least credit passes for mathematics and English in G.C.E O/L.
- Possess a substantial level of communication skills, both in the Sinhala and English languages.

Should you measure up to the expectations, please forward your complete resume with contact details of two non-related referees within 10 days of this advertisement. Write the position for which you are applying on the top left-hand corner of the envelope or in the subject line of the e-mail.
