Fast-track Your Career in FMCG Marketing Field

MANAGEMENT TRAINEES
MARKETING

Lakmee Holdings has established itself as a leading food and beverage manufacturing and marketing entity in Sri Lanka with a portfolio of brands under its wings.

Our product offering is diverse, serving consumers both locally and globally with soya meat, noodles, cereal, beverages, fat spreads, condiments, spices, toppings & sauces and seasonings.

As our business continues to grow, we are looking to recruit a **batch of Management Trainees – Marketing** to groom the next generation of brand leaders.

We are committed to training, developing, and guiding passionate young graduates who aspire to build a career in marketing. These individuals will play a key role in nurturing and growing our brands as future brand custodians within the organization.

Are you a fresh graduate in Marketing or Business ready to step into the corporate world?

Then this is your opportunity.

- **Fresh graduates in Marketing / Business Management**
- **CIM fully qualified candidates**
- **Passion for marketing, brands and consumer insights**
- **Strong communication and teamwork skills**
- **Sharp thinkers, problem-solvers & go-getters above 20+ years**

This is your chance to learn, grow and build a rewarding career in marketing.

WHAT WE OFFER
Opportunity to be part of a structured Management Trainee batch program
Hands-on experience working on real brands and real market challenges
Exposure to end-to-end brand building and marketing strategy
Mentorship from renowned industry marketing professionals
A clear career pathway to become a Brand Manager within the organization
Competitive compensation and benefits package
