SLTC
Learn. Research. Transform.

WE ARE
HIRING

SRI LANKA TECHNOLOGY CAMPUS (SLTC)
FACULTY OF COMPUTING & IT

TEACHING ASSISTANTS

We are looking for motivated and enthusiastic Teaching Assistants to support our academic staff in delivering high-quality teaching and learning.

Successful candidates will assist with tutorials, student guidance, academic administration, and other teaching-related activities.

- Assist with classroom lessons by supporting students individually & in groups.
- Assist faculty members in preparing, organizing & delivering lectures & lab sessions.
- Support the faculty in managing classroom logistics & maintaining a productive learning atmosphere.
- Engage in research & project- related work.
- Will be actively involved in academic events, workshops, departmental initiatives & extra-curricular activities.

Eligibility

- Bachelor's Degree with Honors (First Class or Second-Class Upper Division) from a recognized university, specializing in cyber security, data science, and cloud computing.
- Those who possess teaching experience will have an added advantage.
- A team player mindset is a must.

Why Join SLTC

- Strong industry and research collaborations.
- Structured support for research and innovation.
- Dynamic and growth-oriented academic environment with modern laboratories.

Work Location - SLTC Padukka
