

MUSAEUS COLLEGE

Teacher in Combined Mathematics A/L | National Curriculum | Bilingual

We want intelligent, ambitious and upbeat people to join our growing family. We need you to be professional, interested in the world around you, dynamic & self-motivated.

At Musaeus College we urge you to follow your dreams and passions and we take genuine interest in your career – from funding training courses and industry recognized qualifications to arranging educational visits at home and abroad. We want to see you grow during your time with us and to be as much a part of your journey as you are of ours. We offer competitive rates of pay as well as a leading benefits package.

We create a School where every child wants to go. A School that combines modern education, professionalism, safeguarding, and co-curricular excellence that have won us critical praise and multiple awards.

Requirement

- Bachelor's degree in Physical Science.

Expectations

- Experience in teaching relevant curriculum in a reputed educational institute.
- Fluency in English Language.
- Excellent communication and interpersonal skills.
- High level of computer literacy.

Do you share our values? Then join us!
