Sri Lanka Telecom (SLT) Group is one of the most valuable blue chip companies in Sri Lanka with an annual turnover over Rs. 100 Billion. SLT Group comprises SLT PLC and six subsidiaries including Mobitel (Pvt.) Ltd, the mobile arm, having unified as SLT-MOBITEL to create a formidable force as the digital technology leader in Sri Lanka.

Trainee Telecommunication Technician

Sri Lanka Telecom is offering a fantastic opportunity for motivated individuals to kickstart their career in the technology sector. As a Trainee Technician, you will gain hands-on experience, receive specialized training, and develop essential skills to thrive in a dynamic and innovative work environment. If you are passionate about technology and eager to grow with a leading company, this is the perfect opportunity for you to build a successful career path.

Candidates who successfully complete the program and obtain the NVQ Level 4 certificate will be considered for recruitment to the permanent cadre of Sri Lanka Telecom.

Eligibility Criteria for Applicants

- Six passes at the G.C.E. (O/L) exam including Sinhala / Tamil, English Language and Mathematics with 03 credit passes in one sitting.
- Upper Age Limit is 35 Years.
- Male Applicant.

Training Program

- **Training Duration:** The program spans two years. In-house sessions are held every Friday and Saturday from 09:00 to 17:00, and in-plant training occurs Sunday to Thursday, from 09:00 to 17:00. During the first months of the program, essential hands-on training directly related to field operations will be provided six days per week.
- **Training Location:** In-house sessions will be held at the SLT-Mobitel Nebula Institute of Technology in Moratuwa, while in-plant training will take place at SLT Regional Operations Centers (OPMC) across the island.
- **Medium of Instruction:** English and Sinhala.
- **Internship Allowance:** An allowance of LKR 1750 per day will be provided during the in-plant training period.
- **Certification:** Upon successful completion of both theory and in-plant training, participants will be eligible for the NVQ Level 4 final assessment, which will be conducted by the Tertiary and Vocational Education Commission (TVEC).

The Offers / Conditions

- Those who successfully complete the training program and obtain NVQ 4 certificate issued by TVEC and possess a valid driving license to drive minimum "B" vehicle class motor vehicles will be considered for recruitment as a Technician-A15 to the SLT permanent cadre based on availability of vacancies.
- Total course fee for the program is LKR 120,000.00. This will be deducted in 24 equal installments (LKR 5,000/- per month) from the training allowance to be paid as internship allowance to selected applicants.
