

WE ARE HIRING!

Video Editor

SLTMOBITEL PEOTV operates the Pay TV and Content Business for the SLT Group. **SLTMOBITEL PEOTV** has been at the forefront of IPTV (Internet Protocol Television) services, introducing innovative and interactive television applications to Sri Lanka, since its inception.

We are seeking a talented and creative Video Editor with a proven ability to deliver high-quality content in a fast-paced environment. The ideal candidate should be passionate about storytelling, detail-oriented, and capable of transforming raw footage into engaging visual content.

Key Responsibilities:

- Develop creative visual concepts aligned with project requirements and production vision
- Review scripts and raw footage to plan and prioritize shots for continuity and storytelling
- Edit and assemble footage using modern techniques to create a cohesive narrative
- Incorporate audio, graphics, and special effects to enhance overall production quality
- Deliver a polished final cut that meets broadcast standards

The ideal candidate should possess:

- NVQ Level 3 or a professional qualification equivalent in video editing from a recognized institution
- a minimum of 2 years of experience in a similar role at a reputable establishment
- strong understanding of video editing
- proficiency in television broadcast graphics designing for HD/SD offline workflows (experience with live workflows will be an advantage)
- working knowledge of video and audio file formats, properties, and codecs
- proficiency in the following application packages:
 - Adobe Premiere
 - Adobe Photoshop
 - Adobe Illustrator
 - Adobe After Effects
- good typing skills in English and Sinhala languages

Please forward your resume along with the details of two non-related referees to hrvc@slt.com.lk mentioning **"Video Editor"** under the subject line of the e-mail on or before **06th May 2026**.
