Job Requisition ID: 9007

Location: Biyagama, Western Province, Sri Lanka

Strategic Business Unit: Key Accounts Group 5

About the Company and Job Details:

About Brandix

At Brandix, our progress is driven by curiosity, collaboration, and a shared commitment to creating meaningful impact. With over 50 years of experience, we partner with global brands to deliver inspired apparel solutions while working towards our purpose of inspiring a future that drives prosperity for everyone.

Key purpose of the Job

As Intern – Design, you will be reporting to the Assistant Manager – Design of the SBU. You will support the Design team with trend research, concept development, sketching, detailing and translating into samples.

Key Responsibilities:

- Gain exposure to the end-to-end product design process, including trend research, concept development, sketching, and sample creation
- Support daily design activities such as technical sketching, tech pack and line sheet preparation, and collaboration with cross-functional teams
- Conduct research and provide administrative and project support for departmental initiatives and ongoing tasks
- Participate in team meetings, contribute feedback, and assist with technical CAD sketches and Bill of Materials (BOM) creation

Education

Graduate in the field of Fashion Design or Textile Technology from a recognized university/institute

Experience

Proficient in Adobe Illustrator and Photoshop, with strong sketching and technical design capabilities

Strong communication, organizational, interpersonal, and time management skills, with fluency in English

Detail-oriented, positive, and methodical, with the ability to prioritize tasks and perform effectively in a fast-paced environment

Previous experience in Design would be an added advantage

Competencies

Drive Vision & Growth

Excite & Engage Customers

Inspire Each Other

Simplify & Focus

This is an Equal Opportunity Company
